David G. Myers, Jean M. Twenge

Social Psychology David G. Myers, Jean M. Twenge, 2012-08-01 Reflecting your students and their world. How many of the students in your Social Psychology course are Psychology majors? Business? Sociology? Education? In the 11th edition of Social Psychology, David Myers once again weaves an inviting and compelling narrative that speaks to ALL of your students regardless of background or intended major. And with Connect Social Psychology and LearnSmart, students are able to create a personalized learning plan helping them be more efficient and effective learners. With LearnSmart, students know what they know and master what they don't know and faculty are able to move to more in-depth classroom discussions. Through examples and applications as well as marginal quotations from across the breadth of the liberal arts and sciences, Myers draws students into the field of social psychology. At the same time, Myers is also in tune with the ever-changing state of social psychology research. Research Close-Up and Inside Story features throughout the book provide deeper exposure to key research and researchers. Marginal quotations, examples and applications throughout each chapter, and the concluding Applying Social Psychology chapters all ensure that regardless of your students' interests and future plans, Social Psychology will engage them. This 11th edition also features the contributions of Jean Twenge, author of Generation Me and The Narcissism Epidemic, further bolstering the direct connection to today's students.

EBook: Social Psychology 3e David Myers, Jackie Abell, Fabio Sani, 2020-08-21 Social psychology has a profound influence on our everyday lives; from our shopping habits to our interactions at a party. It seeks to answer questions that we often think and talk about; questions such as: - What circumstances prompt people to help, or not to help? - What factors influence the ups and downs of our close relationships? - Why do some people behave differently when on their own compared to in a group? - What leads individuals sometimes to hurt, and other times to help one another? - Why are we attracted to certain types of people? - How do some persuade others to do what they want? This new edition of Social Psychology has been revised to introduce a more flexible structure for teaching and studying. It includes up-to-date, international research with an emphasis throughout on its critical evaluation. Applied examples across the chapters help to highlight the relevance, and hence the impact, that the theories and methods of this fascinating subject have upon the social world. Key Features Include: - Research Close-Up: Following a brand-new style, this feature matches the layout used in research papers, providing an accessible introduction to journal articles and the research methods used by social

psychologists. - Focus On: Fully revised, these boxes look at opposing viewpoints, controversial research or alternative approaches to the topics. This offers a more critical outlook and prompts the questioning of the validity of published research

- Recommended Readings: New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topics. Connect Psychology is McGraw-Hill's digital learning and teaching environment. Students - You get easy online access to homework, tests and quizzes designed by your instructor. You receive immediate feedback on how you're doing, making it the perfect platform to test your knowledge. Lecturers - Connect gives you the power to create auto-graded assignments, tests and quizzes online. The detailed visual reporting allows you to easily monitor your students' progress. In addition, you can access key support materials for your teaching, including a testbank, seminar materials and lecture support. Visit: <http://connect.mcgraw-hill.com> for more details.

Professor David N. Myers holds the Sady and Ludwig Kahn Chair in Jewish History. As of fall 2017, he serves as the director of the Luskin Center for History and Policy. He previously served as chair of the UCLA History Department (2010-2015) and as director of the UCLA Center for Jewish Studies (1996-2000 and 2004-2010). Dr Jackie Abell is a Reader in Social Psychology with the Research Centre for Agroecology, Water and Resilience, based at Coventry University, UK. Her current areas of research interest include the application of social psychology to wildlife conservation and environmental issues to facilitate resilience and sustainable development, place attachment and identity, social cohesion and inclusion. EBOOK: Social Psychology David Myers, Jackie Abell, Fabio Sani, 2014-03-16 Social psychology is one of the most intriguing and captivating areas of psychology, as it has a profound influence on our everyday lives; from our shopping habits to our interactions at a party. Social psychology seeks to answer questions that we think and talk about with each other every day; questions such as: Why do some people behave differently when on their own, to when they're with a group? What leads individuals sometimes to hurt and sometimes to help one another? Why are we attracted to certain types of people? How do some persuade others to do what they want? The new edition of *Social Psychology* has been revised to introduce a more flexible structure for the teaching and studying of social psychology and includes up-to-date, international research in the area. There is an emphasis throughout on the critical evaluation of published research, in order to encourage critical thinking about the various topics. Applied examples across the chapters help to highlight the relevance, and hence the impact, that the theories and methods of this fascinating subject have upon the social world. Key Features Include: **Research Close-Up:** Following a brand new style, this feature matches the layout used in real research papers, providing an accessible introduction to journal articles and the research methods used by social psychologists. **Focus On:** Fully revised from the previous edition, these boxes now look at opposing viewpoints, controversial research or alternative approaches to topics within social psychology, offering a more critical outlook on topics and prompting the questioning of the validity of published research. **Recommended Readings:** New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topic. **Connect Psychology** is McGraw-Hill's digital learning and teaching environment. **Students** - You get easy online access to homework, tests and quizzes designed by your instructor. You get immediate feedback on how you're doing, making it the perfect platform to test your knowledge. **Lecturers** - It gives you the power to create auto-graded assignments, tests and quizzes online. The detailed visual reporting allows you to easily monitor your students' progress. In addition, you can still access key support materials for your teaching, including a testbank, seminar materials and lecture support. Visit: <http://connect.mcgraw-hill.com> for more details.

Exploring Social Psychology David G. Myers, Jean M. Twenge, 2020 This is a book I (David) secretly wanted to write. I have long believed that what is wrong with all psychology textbooks (including those I have written) is their overlong chapters. Few can read a 40-page chapter in a single sitting without their eyes glazing and their mind wandering. So why not organize the discipline into digestible chunks-say forty 15-page chapters rather than fifteen 40-page chapters-that a student could read in a sitting, with a sense of completion? Thus, when McGraw-Hill psychology editor Chris Rogers first suggested that I abbreviate and restructure my 15-chapter, 600-page *Social Psychology* into a series of crisply written 10-page modules,

I said Eureka! At last a publisher willing to break convention by packaging the material in a form ideally suited to students' attention spans. By presenting concepts and findings in smaller bites, we also hoped not to overload students' capacities to absorb new information. And, by keeping Exploring Social Psychology slim, we sought to enable instructors to supplement it with other reading--

Exploring Social Psychology David Myers, 2017-01-20 Exploring Social Psychology succinctly explores social psychological science and applies it to contemporary issues and everyday life. Based on the bestselling text, Social Psychology by David Myers and Jean Twenge, the book presents 31 short modules—each readable in a single sitting—that introduce students to such scientific explorations as love and hate, conformity and independence, prejudice and helping, and persuasion and self-determination. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Psychologie David G. Myers, 2015-02-03 Die Psychologie - vielfältig und schillernd: Ein Fach mit spannenden Teilgebieten und kontroversen Diskussionen, eine fundierte Wissenschaft, eine Möglichkeit, sich mit eigenen Erfahrungen und fremden Kulturen auseinanderzusetzen - nah am Leben! Das einführende Lehrbuch von David Myers stellt das Fach so komplett wie kein anderes vor: alle Grundlagenfächer und die 3 großen Anwendungsfächer Klinische, Pädagogische und Arbeits- und Organisationspsychologie. Die 3. Auflage wurde - unter Mitarbeit von Studierenden - komplett überarbeitet. Leicht lernen: Mit leicht verständlichen, unterhaltsamen Kapiteln, klaren Definitionen, „bunten“ Exkursen, Zusammenfassungen und Prüfungsfragen am Kapitelende. Mit interaktiver Lernwebsite und umfangreichem Zusatzmaterial. Und mit Spaß: Über 900 bunte Abbildungen und Cartoons bringen Psychologie auf den (witzigen) Punkt! Psychologisch denken: Durch zahlreiche Leitfragen, Denkanstöße und Übungen zeigt Myers, wie das Wissen angewendet wird, wo Psychologie im Alltag zu erfahren ist. Ob Sie Psychologie studieren oder zu denen gehören, die schon immer wissen wollten: Was sagen eigentlich die Psychologen dazu? - Der MYERS ist Ihr Einstiegsbuch in die Psychologie!

Exploring Social Psychology with PowerWeb David Myers, 2006-04-28 Exploring Social Psychology by David Myers is a brief, modular introduction to social psychology, with streamlined focus on issues such as belief and illusion, prejudice and diversity, and love and hate. The brevity of each of the book's 31 stand-alone modules makes this the perfect text for covering the core concepts in the field. The new Fourth Edition contains expanded coverage of cultural diversity and the most current research from the 21st century.

Psychology C. Nathan DeWall, David G. Myers, 2018-01-02 David Myers' bestselling Psychology has reached a wider audience of students and instructors with each new edition. Myers and his team lead the field in being attuned to psychology's research and the needs of the instructors and students in the course today. Ten million student class testers and thousands of adopting instructors can attest to the quality of this project. True to form, this landmark new 11th Edition is another vigorous, deeply considered revision.

Exploring Psychology in Modules David G. Myers, 2012-12-24 This modules-based version of Myers Exploring Psychology breaks down the book's 15 chapters into 43 short modules. Myers was inspired to create this text by the memory research in chunking (showing that shorter reading assignments are more effectively absorbed than longer ones), as well as by numerous students and instructors who expressed a strong preference for textbooks with more, shorter chapters. Each self-standing module can be read in a single sitting, and instructors can assign any combination of modules, in any order they want. DSM 5 Updates Available for Fall 2014 classes, this update version features new content from David Myers in response to the release of the DSM-5. This new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by the David Myers is available for Fall 2013 and Spring and Summer 2014 courses. View the Page-Referenced Guide to the DSM-5 updates for Exploring Psychology in Modules.

Social Psychology with Student Social Connection David Myers, 2001-07-01 Social Psychology 7/e by renowned author David Myers continues to set the standard by which other Social Psychology texts are judged. The author's engaging writing style and unique, intimate voice make the text both compelling and readable, without being overly simplistic. The organization logically moves the student through the study of how people think, influence, and relate, including an appropriate balance of basic research and applied material for the course. This edition includes a greater emphasis on social psychology's applications to both work and in life, and uses video clips and vignettes to emphasize the relevance of social psychology research. This edition of Social Psychology also marks the introduction of the Social Connection video series, which follows Myers' organization and brings classic research to life.

Social Psychology: Pearson New International Edition PDF eBook Elliot Aronson, Timothy D Wilson, Robin M. Akert, 2013-08-27 Were you looking for the book with access to MyPsychLab? This product is the book alone, and does NOT come with access to MyPsychLab. Buy the book and access card package to save money on this resource. Research made relevant through a storytelling approach. This renowned text maintains its acclaimed storytelling approach, teaching the

science of psychology through an engaging narrative that makes research relevant to students. Drawing upon their extensive experience as researchers and teachers, Elliot Aronson, Tim Wilson, and Robin Akert present the classic research that has driven the field and introduce cutting-edge research that is the future of social psychology. Significantly updated to reflect advances in the discipline, the 8th edition provides a firm foundation for students to build their understanding of this rigorous science in a way that engages and fascinates. A better teaching and learning experience This program will provide a better teaching and learning experience- for you and your students. Here's how: Personalize Learning - The new MyPsychLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - The authors emphasize this rigorous science through research examples that encourage students to think twice about their preconceived notions of what social psychology is - and isn't. Engage Students - Through real-life vignettes, which open each story chapter, and mini-stories throughout each chapter, the eighth edition provokes student interest by focusing on real-life examples. Explore Research - The authors present a balance between the latest findings in the field with classic research in social psychology. Noting that some older studies deserve their status as classics and are important cornerstones to the discipline, this text encourages students to experience the continuity and depth of the field versus regarding it as a collection of studies published in the past few years. Support Instructors - This program provides instructors with unbeatable resources, including state-of-the-art PowerPoints embedded with videos, the NEW MyPsychLab with ABC's What Would You Do videos, an easy to use Instructor's Manual, a robust test bank, and an online test generator (MyTest).
