

# A Catholic Book Of Hymns

**Mary Weaver, Ellen Jones, George Baclay, Noel Jones**

*A Catholic Book of Hymns* Mary Weaver, Ellen Jones, George Baclay, Noel Jones, 2021-02-10 A unique collection of 295 Catholic Hymns in full four-part harmony for the congregation, choir, choir director, cantor and organist. Additional books in these series include an ORGANIST EDITION in which the hymns are scored for the organ and an easy book SIMPLE ORGAN EDITION for new organists.

**A Catholic Book of Hymns** Noel Jones, 2021-02-04 Sacred Music Library's A Catholic Book of Hymns goes beyond merely being notes and words on a page for a congregation to sing. It has other books to assist organists in mastering the art of playing hymns by writing out the hymns as organ music. There are techniques that are required to play hymns. As organ teachers are even harder to find than organists today, we have created this book which simplifies the hymns while still supporting the singing of the hymns. Our regular ORGAN EDITION has the organist playing the same notes the people are singing, but adapted to the organ to make the organ sound at its best and fully support singing as a trained organist with years of experience would do. In this book we have preserved the Soprano Melody and the Bass Line exactly as they are in the hymn and composed a middle part to carry the harmony, derived from the Alto & Tenor parts. This makes playing the hymn much easier for the new organist or organists who are short on time to practice and prepare the hymns each week. And it also gives confidence to the new organist. To fulfill the needs of organists to accompany hymns, we offer two books with the hymns scored for organ - meaning that when an organist plays. We also provide suggested stop registration for all 295 hymns, once again, to give new organists suggestions that assist them in playing. For those who also play piano and keyboards for rehearsals and Mass, this book and the standard ORGAN EDITION can be very helpful as well. Hymnals are written for singers, not for organists pianists or keyboard players!

**A Catholic Book of Hymns** Noel Jones, 2021-01-24 Nearly 300 classic, time-honored hymns your choir and congregation will love singing! Our selections are musical, singable, truly sacred, theologically solid, and-for the most part-familiar, although you will also find some that are new to you. All 295 hymns are scored for the organ in this ORGAN EDITION and use traditional hymn texts, not modern adaptations. This organ edition is a companion volume to A Catholic Book of Hymns, a true SATB four-part harmony hymnal for Catholic congregations. Catholics can sing and will sing in harmony if they are given the music to hold in their hands. The organ edition is 7 by 10 inches, larger than the standard pew book, making the music

easier to read when it is on the organ music rack. What's different about this book? Hymn books are scored for singers, not organists or pianists. Books of hymns look strangely different to an organist because it is very different. If you're a singer, every syllable of each word has to have its own note, which, if played on the organ or piano, makes the music choppy. Sung by the human voice, the same line sounds smooth and musical, not at all choppy because the singers' consonants merely alter the vowel sound but don't divide the music with percussion and silence as when you hear the same phrase played on a keyboard. Hymnbook music forces the organist to adapt on the fly, not playing all the notes, playing some - but not all of the repeated notes - into long-held notes. It is a difficult trick to learn to instantaneously convert an entire choir score into organ music in your brain. To some organists this conversion of vocal music to organ becomes second nature, but others are never able to grasp it. As a result, they can grow to dislike playing hymns, finding them a chore and feeling frustrated-especially when they hear another organist and wish they could play like that. There is a simple solution. Play the hymns from a matching organ edition that has all the hymns written out as organ music. And that's exactly what organists say when they discover this organ edition: Well, now, this looks like organ music. I can play this. One of the benefits of A Catholic Book of Hymns is that all the hymns are free to post and use in streaming and podcasts without payment or permission needed. Play, sing and revel in the sound of your choir and congregation all singing in harmony. What people are saying about A Catholic Book of Hymns I wish my parish was in the market for a new hymnal. This would be perfect . . . this could possibly be the most comprehensive Catholic hymnal in existence.- Henry Gaidal I looked through this hymnal, and I love it! I've been looking for something like this, where I don't have to go searching through several different hymnals to find what I need. It's hard to find a hymnal that combines selections that are traditional in the United States and the beautiful British hymns that have good (not sappy) English texts. . . . [This] also has hymns that are good for Roman Catholic devotions.- Kaoru Tamura Thank you for creating this resource. It's comforting to see the proper texts and not what seems to be the rage lately, of changing the text to suit the mood of the day.- Michael Keefe Thank you so much for this wonderful compilation. The whole website is a great contribution to Catholic music.- Daniel Arberg On the whole, a very impressive list. A fine work indeed!- M. Jackson Osborn So excited to see A Catholic Book of Hymns up on Sacred Music Library. I had suggested Great St. Joseph and Hail, Glorious St. Patrick a few months ago. Glad to see they made the final cut. These are two gems of hymns, and I haven't seen them in any modern hymn books. Good to see them in this hymnal, engraved so beautifully and clearly. Thank you for your continuing contribution to the Church, especially in sacred music.- Matthew Ramire

[A Catholic Book of Hymns](#) Noel A Jones, 2021-07-27 Created for the working church musician, this is the PEW edition in a larger format for easier reading at the organ and music desk with the addition of the complete Index of Scriptural Passages Related to Hymns, available online for the other books. Music and silence-how I detest them both! --Screwtape, under-secretary to the devil, The Screwtape Letters by C. S. Lewis It's easy to see why the enemies of mankind would hate and fear

both sacred silence and sacred music. Both bring joy, spur contemplation, and draw the soul nearer to the Lord. Both have been part of our private prayer as well as our communal liturgy for thousands of years. The Psalms--biblical songs of praise, supplication, and wonder--have been sung for three thousand years. Naturally, Jesus, His disciples, and later the early Christian community also sang hymns (from the Greek word meaning songs of praise), as The New Testament makes clear. We sing because we love, and sung praise elevates our words, takes them out of the realm of the commonplace, and increases our joy. The holy pleasure of singing to God involves the entire person--spirit, heart, mind, and body--and unites us not only with the Divine but also with one another as a worshiping community. This collection of hymns for the singing Catholic congregation exemplifies the best of the genre. These songs are religiously orthodox, beautiful, sacred, and--for the most part--familiar. But here you will also find worthy hymn tunes and texts that are new to you. We present this book to propose not that hymns replace the proper chants for a particular day's Mass\* but live happily alongside them. In most instances the proper chants for processions are the prerogative of cantors and choirs and, as the texts change with every Sunday and solemnity, it's not practical for the congregation to learn and sing them. Hymns, on the other hand, belong to all the faithful and serve as a key means of the active participation spoken of in Vatican II's Constitution on the Sacred Liturgy. Moreover, sung hymns have been an important part of the Liturgy of the Hours for century upon century, so they are nothing new, although singing them at Mass is relatively recent. To promote active participation, the people should be encouraged to take part by means of acclamations, responses, psalmody, antiphons, and songs, as well as by actions, gestures, and bodily attitudes. And at the proper times all should observe a reverent silence. --Sacrosanctum Concilium (Constitution on the Sacred Liturgy, Vatican II, 1963), Paragraph 30 In a parish where the Scriptures are sung, the introit will accompany the procession of the ministers and the cross. Clergy, choir, and people can then sing a congregational hymn if desired. The same is true at offertory and Communion: hymns can follow the proper chants, time permitting. The pastor and/or music director will make the decision whether and when to sing hymns. And at the conclusion of Mass, a suitable hymn can send the people forth with the praise of Almighty God on their lips. May this book bring joy to all who sing from it! \*What is the source of the sung antiphons--the proper texts--for the Roman Mass? The antiphons (in Latin) may be found in the Graduale Romanum, and numerous English settings of these texts are available--many at no cost. The antiphons from the Roman Missal, third edition, may also serve as proper texts. For more information, see Sacrosanctum Concilium (Constitution on the Sacred Liturgy, Vatican II, 1963) Musicam Sacram (Instruction on Music in the Liturgy, 1967) and The General Instruction of the Roman Missal, 2010.

A Catholic Book of Hymns Aago Noel Jones, 2020-11-17 This is a larger version of A Catholic Book of Hymns, available with full details here on AMAZON. It is also available through KINDLE. This format book makes the book more accessible for those playing the organ and directing the choir. This size permits the purchaser to have coil binding done locally to make the

book lie flat on a music stand.

A Catholic Book of Hymns & Chants Sacred Music Library,2022-09-30 Would this hymnal be useful in our parish? - Like to return to singing hymns that are Catholic prayers and not songs about us? - Would you love to once again hear and sing hymns that teach and reinforce the Faith? - Put four part harmony in every hymn so that Catholics may sing in praise. - Have a permanent hymnal in your pews that will not be replaced with any new translations? Our hardbound hymnal is being purchased by forward-thinking Catholic parishes that are printing a weekly Order of Mass bulletin and like that the music may be inserted in this hymnal, that will hold up to 18 pages of music, permitting your music director to choose ALL the music for your Mass, taking control over the Liturgy This hymnal has the potential to save you the expense of printing up to four pages a week in the bulletin, which can add up to a tidy sum annually and the savings will, in not too many years, pay them off. Instead, just print the number and name of the hymn in your bulletin. But we sing the propers. We present this book to propose not that hymns replace the proper chants for a particular day's Mass but live happily alongside them. In most instances, the proper chants for processions might be sung by the cantors and choirs as the texts change with every Sunday and solemnity, so in most cases, it's not practical for the congregation to learn and sing them. The background of this hymnal: Music and silence-how I detest them both! --Screwtape, under-secretary to the devil, The Screwtape Letters by C. S. Lewis It's easy to see why the enemies of mankind would hate and fear both sacred silence and sacred music. Both bring joy, spur contemplation, and draw the soul nearer to the Lord. Both have been part of our private prayer as well as our communal liturgy for thousands of years. The Psalms--biblical songs of praise, supplication, and wonder--have been sung for three thousand years. Naturally, Jesus, His disciples, and later the early Christian community also sang hymns (from the Greek word meaning songs of praise), as The New Testament makes clear. We sing because we love, and sung praise elevates our words, takes them out of the realm of the commonplace, and increases our joy. The holy pleasure of singing to God involves the entire person--spirit, heart, mind, and body--and unites us not only with the Divine but also with one another as a worshipping community. This collection of hymns for the singing Catholic congregation exemplifies the best of the genre. These songs are religiously orthodox, beautiful, sacred, and--for the most part--familiar. But here you will also find worthy hymn tunes and texts that are new to you. And at the conclusion of Mass, a suitable hymn can send the people forth with the praise of Almighty God on their lips. The Latin chants of the Mass for the congregation are hundreds of years old. Like the traditional hymns in this hymnal being of a certain age helps to preserve them. The value of them is that they, while other chants and hymns became popular in words and music and lasted but a short time, these chants and the hymns never lost favor. The Latin chants here encompass the entire liturgical church year.

*The Catholic Hymn Book* Edward Dunigan,And Brother,2021-08-25 Musicians fulfill an important and necessary function in the sacred liturgy of the Catholic Church. This book contains a list of the best known hymns of the Catholic Church. They

are meant to be used throughout the year rather than simply during holidays. The Vatican II Council Fathers stressed active participation of all the faithful during mass. What better way to be active in worship than to sing hymns with the choir? Unfortunately, after Vatican II, choirs nearly disappeared from the Catholic liturgy. But this book predates Vatican II, enabling readers to re-discover forgotten hymns that were once an integral part of mass every Sunday. For example, At the Cross Her Station Keeping (Stabat Mater) was once used on the Friday before Palm Sunday and on September 15 for the Seven Sorrows of the Virgin Mary. It is rarely used in Catholic Church today, but Stabat Mater Dolorosa is considered one of the greatest Latin hymns of all time. Find this classic, and more besides, here.

**Organ Preludes on Hymn Tunes** Aago Noel Jones,2022-02 Playing daily Masses for centuries, organists in Catholic churches had certain assigned chant melodies to be sung every year. They became so familiar with these melodies, that they would improvise organ pieces featuring the melody in different ways and play these settings for the Mass. Chants were sung unaccompanied most times and the organ played on its own at times. Also, a common practice was playing part of a chant on the organ in place of a verse or verses, in alternation with the choir. These compositions may be used in different ways - as a Prelude to the Mass, as an introduction to the singing of the hymn and, if a hymn is sometimes sung after Mass, as a Postlude to the Mass are the last verse is sung. There are pieces on each of the 295 hymns in A Catholic Book of Hymns, published by Sacred Music Library. All 8 books in the A Catholic Book of Hymns are prepared for you to have spiral bound at your local office supply store, the cost is about \$5 a book in 2022.

*Music for the Catholic Hymn Book* Barr Ikechukwu Albert Eseka,2016-08-15 Music for the Catholic Hymn Book is a hymnal published by one of Nigeria's Classical Music publisher and composers Ikechukwu Albert Eseka. This Hymnal provides the faithful the opportunity to sing along easily during the Mass and at various occasions.

**A Catholic Organist's Book of Hymns** Noel Jones,2016-06-05 This is part of the VERDIN Catholic Organist's Series.

*The Catholic Youth's Hymn Book* Christian Brothers,1885

**The Catholic Schools' Hymn Book** Gresham Books Limited,2016

**A Catholic Organist's Book of Hymns** Noel Jones,2014-08-07 Hymns are hard to play - hymnbooks are written for singers, not organists. Playing hymns is easy if you have the music written out for them and even easier if your are playing 3 part settings of them. Add a chorale prelude for organ to each of these 126 hymns and you have the ability to introduce new hymns over a few weeks by playing the chorale prelude and then rest easy with the playable 3 part hymn to play. This is from An Organist's Book of Hymns Series, which also offers 4 part organ hymn arrangements and more.

*Catholic Church Hymnal with Music (Classic Reprint)* A. Edmonds Tozer,2017-10-17 Excerpt from Catholic Church Hymnal With Music To the many composers who have written music expressly for this collection, and to those writers who have permitted the use of their copyright compositions I here tender my very grateful thanks. Their names will be found above their respective contributions. I trust the united labors of so many zealous helpers will do much to further the cause this work is intended to promote. **Jesus and Mary, Or Catholic Hymns (Classic Reprint)** Frederick William Faber,2018-01-25 Excerpt from Jesus and Mary, or Catholic Hymns The following Hymns do not, as Will be seen, form anything like a perfect collection, but are given as a specimen of a much larger and more complete Work. The Author has had a double end in view in the composition of them first, to furnish some simple and original hymns for sing ing in Catholic churches; secondly, to provide English Catholics With a hymn-book for reading, in the simplest and least involved metres: and both these objects have not unfrequently required considerable sacrifice in a literary point of view. When God raised up our dear and blessed Father St. Philip, St. Ignatius, and St. Theresa. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. ## A Catholic Book Of Hymns Introduction

In today's digital age, the availability of A Catholic Book Of Hymns books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Catholic Book Of Hymns books and manuals for download, along with some popular platforms that offer these resources. One of the significant

advantages of A Catholic Book Of Hymns books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Catholic Book Of Hymns versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Catholic Book Of Hymns books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting

regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Catholic Book Of Hymns books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Catholic Book Of Hymns books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Catholic Book Of Hymns books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries

offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Catholic Book Of Hymns books and manuals for download and embark on your journey of knowledge?
