Movie and TV Theme Songs Joseph Caligiuri, 2019-02 Movie & TV Theme Songs - Easy to Read Visual Sheet Music with Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. This book contains 40 popular movie & TV theme songs in piano tablature; a color coded, easy interpretation of piano music that requires little training. The piano tabs display right and left-hand fingering numbers with red and blue note letters. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn a movie or TV theme song this book is for you. This method of tablature is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano.

Complete Songs, 1844-1889 Herrman S. Saroni, This volume includes all of the surviving songs by German-American composer, performer, critic, and businessman Herrman S. Saroni (1823/24-1900), who is now most remembered as the

owner and editor of Saroni's Musical Times (one of America's first significant music magazines). The entire date range of these songs is 1844-89, but the vast majority appeared in the 1840s and early 1850s. Saroni was among the first composers in America to combine aspects of German lieder and various features associated with popular song, and these works fuse accessibility to amateurs with sophisticated compositional techniques. Despite several indicators of success in his era, Saroni's songs are almost completely unknown today. These works deserve reconsideration and modern performance both for their historical significance and for their aesthetic value. Most of the songs in this edition were published in Saroni's lifetime, but an appendix includes a transcription of an unpublished holograph manuscript song, the original of which is also shown in two plate images.

The Best VBS Workbook Ever! Lisa Brown,2017-01-01 Designing a Vacation Bible School program, as opposed to choosing one of the many off-the-shelf packages, is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation, and to craft a creative program in response to that assessment. The Best VBS Workbook Ever offers direction and suggestions on theme, structure, logistics, program, activities, staffing and promotion.

No Place Like Home Jerri Garretson,2023-08-21 Jerri Garretson lived a total of 33 years in Manhattan, Kansas, in three periods. This book features 55 topics about life in the years she was growing up there, plus 13 mini-biographies of teachers and neighbors that were important in her life. It is illustrated with over 800 photos of people, places, and events, and even everyday objects most of us no longer use. To assist readers unfamiliar with Manhattan, she has included maps, and to anchor local events to the nation and the world, there is a timeline. The book is thoroughly indexed. Though many dates and events are mentioned, it is not a history of the city, but rather an entertaining account about the way of life in that time and place. Please be aware that this is a 298 page, heavily illustrated book in the same fixed format as the printed book. As such, it is a download of about large download of approximately 227 MB and will take much longer to download than a novel in flowing format that has no illustrations.

The Dance of Desire Delphine Ross,2024-02-22 Ross will steal your heart with this utterly delightful, romantic friends-to-lovers retelling of Beauty and the Beast. — HEATHER WEBB, USA Today bestselling author of Queens of London In 1873 Paris, a marriage of convenience between a ballet-dancing beauty and a beastly earl is about to get messy. Best friends make

bad spouses . . . and worse scandals. When Angela Bartham of the notorious Bartham family is stranded at the altar on her wedding day, she's saved from ruin by her old friend Sunny, the Earl of Sunderland. He offers a startlingly generous proposition: a marriage of convenience that will last exactly one year. Long enough for society to stop gossiping. Long enough for the press to lose interest. Then they'll quietly annul their unconsummated union. Left without choices, Angela agrees. But Sunny is no longer the sweet but awkward boy she grew up with—and who once loved her. A mysterious trip abroad has transformed him into a surly, secretive beast of a rake who can't seem to stand the sight of her. Nor is Angela the romantic girl who once danced all night under the moon. She's a heartbroken beauty trapped in a fake marriage that can't end soon enough. To avoid the chattering crowds, Angela and Sunny flee London to spend their year of marriage in Paris. But what they don't take into consideration is that emotions aren't particularly rational . . . especially when there's only one bed in the gothic kitten-laden chateau they're stuck inside near the Bois de Boulogne. Forced proximity reveals hidden depths, turning their marriage of convenience into a messy affair of the heart. Will Angela and Sunny's dance of desire come to an end, destroying everything they hold dear—including their friendship? Standalone romance that can be read out of series order. Includes an extended excerpt from *The Poetics of Passion* by Delphine Ross. PREVIOUS PRAISE FOR DELPHINE ROSS: A beguiling Victorian romance filled with secret identities, hidden passion, and family loyalty . . . for fans of Evie Dunmore, Mimi Matthews, and Emily Sullivan. — Historical Novel Review “Charming and sexy . . . a novel that will enchant readers!” — ELIZA KNIGHT, USA Today bestselling author of *The Rebel Wears Plaid* “Chock full of compelling characters, charm, and heartfelt emotion.”— HARPER ST. GEORGE, author of *The Duchess Takes a Husband* “Delphine Ross conjures . . . the era with a master hand. A fascinating read!”— MIMI MATTHEWS, USA Today bestselling author of *The Belle of Belgrave Square*
