Academic writing in Portugal: I - discourses in conflict Karen Bennett, 2011-06-01 In the increasingly globalised world of academic production, Portuguese researchers are under intense pressure to publish in English, generating a huge demand for translation, revision and specialised language services. However, there are considerable rhetorical and epistemological differences between the hegemonic discourse of Anglophone academia and the traditional Portuguese writing style of the humanities, which can cause serious problems not only for translators but also for Portuguese academics that wish to write their papers directly in English. This work explores those differences across a range of academic disciplines and genres by means of three complementary studies: a Corpus Analysis of over 400 Portuguese academic texts; a survey of Portuguese researchers in the humanities and social sciences; and a review of Portuguese academic style manuals. The results are of great practical interest to all those attempting to teach, write or translate English academic discourse in the Portuguese context, as well as to anyone concerned with the controversial issue of linguistic imperialism.

Rick Steves Portugal Rick Steves, 2015-03-03 You can count on Rick Steves to tell you what you really need to know when traveling in Portugal. With this guide, you'll explore this relaxed country at the western edge of Europe. Tour Lisbon's cobbled lanes and grand squares, reminders of Portugal's seafaring glory days. Step back into history at the palaces in Sintra and the bone chapel of Évora. Soak up the sun at the Algarve beach of your dreams. When evening comes, enjoy a dinner of fresh seafood stew, and raise a glass of port wine in a toast. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

The Penguin Guide to Portugal, 1991

The Semiperiphery of Academic Writing K. Bennett, 2014-09-02 With researchers around the world under increasing pressure to publish in high-profile international journals, this book explores some of the issues affecting authors on the semiperiphery, who often find themselves torn between conflicting academic cultures and discourses.

Portugal Miguel Torga,2017-02-27 Uma extraordinária visão de Portugal por um dos seus grandes escritores.Uma das paixões de Miguel Torga é conhecer Portugal. Desde os tempos de Leiria, percorre o país de lés a lés, registando as paisagens, os monumentos, os modos de falar, os sabores do pão e do vinho, a feição das gentes. Em finais dos anos 40 viaja de automóvel com um amigo igualmente entusiasta, Fernando Valle Teixeira, cuja família tem casa na Quinta da Raposeira, em Lamego.As férias em Trás-os-Montes, a caça, as idas anuais às termas do Gerês são também meios de conhecer palmo a palmo, com «uma erudição adquirida pelos pés», os socalcos do Douro, a povoação mais remota, a capelinha românica abandonada, o castro em ruínas, as fragas mais altas da Calcedónia. Em 1950 publica o livro Portugal, uma «invenção de Portugal» (na fórmula feliz de um crítico francês) que é a expressão dessa aprendizagem, dessa decifração e dessa compreensão da pátria.(Clara Rocha, Miguel Torga. Fotobiografia)

A Universidade de Coimbra e seus Estudantes aos Olhos dos Viajantes Estrangeiros (1581-1879) Carlos Xavier Reis, No estudo “A Universidade de Coimbra e seus Estudantes aos Olhos dos Viajantes Estrangeiros (1581-1879)” são coligidos 30 relatos de viajantes estrangeiros, homens e mulheres, abarcando 10 nacionalidades e um período cronológico de 298 anos da história desta instituição e, por inerência, do país. Os relatos abordam temas vários relacionados com a Universidade de Coimbra (a sua criação, as cadeiras ministradas em diferentes períodos, métodos de ensino e de avaliação, tradições académicas, espaços universitários, Lentes e Estudantes, participação da Universidade no contexto político nacional, etc.) mas também com momentos-chave da história de Portugal, como, por exemplo, a União Ibérica, o recuperar da Independência, a Reforma Pombalina do ensino superior, as Invasões Francesas e a Guerra Civil.

The Berlitz Traveller's Guide Portugal 1992 Berlitz Guides,1992-04 Fills a needed niche in guidebooks..designed to eliminate cumbersome lists...Special out-of-the-way places are detailed...The books capture the personality & excitement of each destination.--Los Angeles Times. Portugal Mark Ellingham,John Fisher,Graham Kenyon,1998 This fully updated guide to one of Europe's most surprising countries features complete information on all ranges of accommodations, from basic pensiones to luxury hotels, and up-to-date facts on sightseeing, shopping, day trips, dining, and more. of color photos. 64 maps.

O poder da arte: o Estado Novo e a cidade universitária de Coimbra Nuno Rosmaninho,2006-12-01 A construção da Cidade Universitária de Coimbra, levada a cabo entre 1941 e 1975, supôs uma intervenção urbana tão profunda e afirmou-se tão claramente como uma obra de regime que se torna difícil exagerar o seu significado. Ela é, a par dos tribunais, uma das

melhores expressões da arquitetura de poder do Estado Novo. Nenhuma obra revela tão bem o uso propagandista do património. No entanto, observada em pormenor, deixa ver a ação por vezes desconstruída dos organismos oficiais. E a sua receção crítica sugere uma escassa capacidade de endoutrinação. É no seio da arte totalitária que a Cidade Universitária de Coimbra melhor se compreende, mesmo nas suas aparentes contradições. O seu estudo confirma a diferenciação de modelos arquitectónicos e traz para primeiro plano as divergências existentes dentro do Estado Novo quanto à importância do nacionalismo arquitectónico e aos meios de o alcançar. O predomínio do classicismo monumental não obsteu ao afloramento de modelos pseudo-vernáculos em bairros de realojamento e obras secundárias e à tardia emergência do modernismo. A estatuária, próxima da dos regimes autoritários e totalitários pelo seu estatismo, sobriedade académica e alusão à Antiguidade, permaneceu refém de um naturalismo simplificado e geralmente convencional. Os murais foram votados à consagração da História, dos heróis nacionais e do saber. The construction of the Coimbra University Campus between 1941 and 1975 involved a profound urban intervention that is clearly marked as the product of the Salazar regime, so much so in fact that it is difficult to exaggerate its significance. Like the law courts, it is one of the best architectural expressions of the power of the “New State”, which clearly reveals how the heritage may be used for propaganda purposes. However, a closer look reveals the sometimes unsystematic action of official bodies, while its critical reception suggests that the capacity for indoctrination was minimal. Coimbra University Campus should best be understood within the context of totalitarian art, despite its apparent contradictions. Careful study has confirmed the extent to which it differs from other architectural models and highlights the divergences existing within the New State as to the importance of architectural nationalism and the means for achieving them. The predominance of monumental classicism did not preclude the late emergence of modernism or the flourishing of pseudo-vernacular models in neighbourhoods built to rehouse the displaced and other secondary works. The statuary, which resembles that produced by authoritarian and totalitarian regimes in its statism, academic sobriety and allusions to Antiquity, is underpinned by a naturalism that is simplistic and generally conventional. As for the murals, these celebrate moments from history, national heroes and knowledge.

Portugal Jean-François Breuiller, 2004

Itinerário português José H. Saraiva, 1987

A Universidade de Coimbra: o tangível e o intangível José Francisco de Faria Costa, Maria Helena da Cruz Coelho, 2009-11-01 Tangível e Intangível é um projeto-livro de apresentação e exposição da Universidade de Coimbra ao Mundo. Experiência inédita e longamente maturada, reúne vários dos nossos melhores autores (Aníbal Pinto de Castro, Lúcio Quaresma Lobo, Maria José Azevedo Santos, Vítor Serrão), que, sob a coordenação dos Senhores Professores Maria Helena da Cruz Coelho e José Francisco de Faria Costa, nos guiam numa visita inesquecível por três continentes onde se encerram os melhores tesouros da Universidade de Coimbra, fundada em 1290 pelo rei D. Dinis: o Património Artístico, o Património

Documental e o Património Científico (incluindo aqui as valiosas coleções dos nossos museus de ciência). Trata-se, portanto, de um livro que fala, profusamente ilustrado por belíssimas fotografias de João Armando Ribeiro, num conjunto muito cuidado e sóbrio, com design e edição de imagem de António Barros, revestido de uma encadernação em capa dura conforme à ambição deste projeto nascido no seio da Universidade de Coimbra há cerca de 10 anos e agora finalmente concretizado. O facto de se tratar de uma edição bilingue (Português-Inglês) dará asas a este sonho e fará chegar ainda mais longe a história e a riqueza patrimonial de uma universidade que foi, durante séculos, única em Portugal. Um livro especial, para ler e para rever sempre, para oferecer em momentos particulares e a destinatários selecionados. Um livro que não se esgota porque é, ele mesmo, um desafio à nossa curiosidade intelectual, à nossa cultura e à nossa vontade de conhecer melhor esse tanto da história de Portugal que a Universidade de Coimbra transporta, com muito orgulho, dentro de si.

Como Nasceu Portugal Santiago Diniz,2021-11-20 Quais as origens históricas de Portugal? Quem foram os mouros? Qual a participação dos Templários na formação do reino de Portugal? Convido o leitor a descobrir tudo isso e muito mais...

A Verdadeira Mona Lisa Santiago Diniz,2015-10-07 Me responda uma coisa: qual é o nome da pintura mais famosa de Leonardo da Vinci? Sim, é aquela que está exposta no museu do Louvre. Sua resposta é a Monalisa, certo? Errado! E se eu te falasse que a Monalisa na verdade é um outro quadro que passou despercebido na história. Não acredita? Pois saiba que o maior mistério do mundo das artes será finalmente revelado, e uma coisa é certa, após ler essa obra você nunca mais verá a Monalisa com os mesmos olhos. Topa o desafio? Leia e descubra nesse romance recheado de suspense, investigação e muita pesquisa .

Dicionário das literaturas portuguesa, galega e brasileira Jacinto do PRADO COELHO,1960

Sidónio e Sidonismo: vol. 1 História de uma vida Armando Malheiro da Silva,2006-01-01 O lente republicano da Universidade de Coimbra que, no ano de 1908, lançava uma acusação violenta contra a instituição, defendendo a laicidade do ensino e o laicismo, não é o mesmo que em 1918 se senta nos doutorais, abrindo as portas ao regresso da tradição académica que, numa certa conjuntura (e só nela), pode ser entendida como uma das formas da Tradição? É o mesmo que permite a penetração do pensamento católico e da ação monárquica? Será esta uma questão relativa à pessoa de Sidónio ou uma questão resultante das circunstâncias em que pôde irromper um movimento que afinal o ultrapassa e que a história chamará sidonismo? Sidónio Pais terá sido, na verdade, um germanófilo, defensor de um sistema de poder autoritário, ou a sua presença ministerial em Berlim vale sobretudo como um elemento de vida, sendo sim significativa a sua afirmação presidencialista, como forma de encarar a República e como tentativa de a salvar da instabilidade permanente, regressando assim à lógica presidencialista americana e, sobretudo, brasileira, que marcou as primeiras propostas constitucionais portuguesas? Seja como for, para além de Sidónio está, sem dúvida, a representação do seu mito e a influência que ele exerceu numa direita republicana ou monárquica — a síntese pessoal do Presidente Rei é de um significado fundamental —

para lá da sua morte trágica, em 14 de Dezembro de 1918. E não há nada como uma morte trágica para criar um mito ou mitos vários... Partidos e associações cívicas de direita apelarão sempre para a imagem de Sidónio, caracterizando-se mesmo a elas próprias de sidonistas, e para a imagem da Ditadura, que passaria a ser designada não tanto como um regime de exceção, várias vezes assumido na Monarquia Constitucional ou na República, mas já como um regime em si mesmo, que daria origem a uma prática institucional de terceira via. Por isso os salazaristas apelavam também para a ideia de um novo Estado, de uma República Nova (como existira a ideia de uma Monarquia Nova), que sentiram, de forma indelével, na experiência ditatorial de Sidónio Pais. Entende-se, assim, toda a lógica de Salazar ao afirmar, em 28 de Maio de 1934: As ditaduras não me parecem ser hoje parênteses dum regime, mas elas próprias um regime, senão perfeitamente constituído, um regime em formação. Terão perdido o seu tempo os que voltarem atrás, assim como talvez também o percam os que nelas supuserem encontrar a suma sabedoria política. Quem foi afinal Sidónio Pais? Dêmos a palavra a Malheiro da Silva e a todos os que, depois desta publicação, o quiserem criticar ou interrogar. E a sua tese é que Sidónio representou a via presidencialista da República, aproveitada — é verdade — por amplos sectores, durante a sua ditadura e depois dela, e representou, no fundo, a via autoritarista que a ideia de República também continha, como as ideias e as práticas da Revolução Francesa possuíam essa mesma tendência, conforme o procuraram provar alguns historiadores, como é o caso paradigmático de François Furet.

Lonely Planet Portugal Julia Wilkinson, John King, 2001 Travel guides explore countries, regions and cities in depth and for every budget, with reliable, easy-to-use maps, first-hand recommendations, well-researched background information and thorough, up-to-date coverage of all the sights -- on and off the beaten track.
